Note: The Catamaran Sailing Clubs of Wisconsin and Minnesota will be having their races on Sat. Aug 17th and Sunday Aug 18th. The sailors from both states put on a wonderful show as they are the best sailors around (they like it best when they are on one hull) and have some colorful sails. If you have a boat, I would recommend that you go out and watch the races on the water. Get anchored behind and away from a marker and watch the action.

Last year I told you to pick up a copy of Destinations 2012 because it had a lot of sailing pictures in it. I have been promised that Destination 2013 will have a lot of sailing photos in it. Pick up a copy this year because it also has a list of our SLSC activities.
